Autumn 2021 Issue 2

## Meet the Librarians

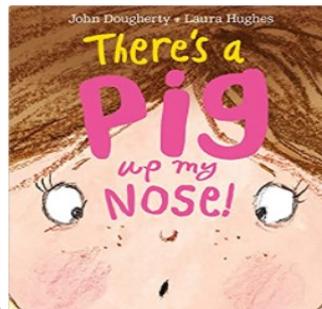

The school librarians have been appointed and they are already doing a fantastic job promoting reading and books across the school. They've been busy reading to children in Reception every lunchtime and keeping the library looking great! Keep up the good work.

## New Library !

Our new library is now fully up and running in the fiction section and we have now started work on the non-fiction section to improve the books available for children to use in other subjects across the curriculum! We are still hoping to have a grand opening when circumstances allow.

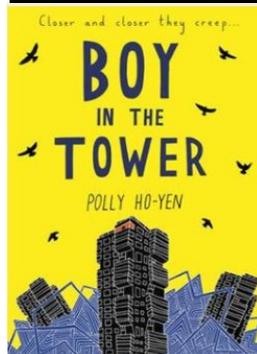

## EYFS and KS1 Recommended Read

## KS2 Recommended Read—from Jesse

From the seventeenth floor of the tower block where he lives with his mother, Ade watches as the buildings fall around him. The Bluchers - a strange and terrible kind of plant - are taking over the city, and everyone is being forced to evacuate, but his mother is refusing to leave her room. And so Ade watches alone as the city slowly empties, and the Bluchers creep ever closer.

The more that you read, the more things you will know. The more that you learn, the more places you'll go
